

# CELEBRATING EDUCATIONAL SUCCESS

Literacy Volunteers Valley Shore, a longtime community partner of Middlesex United Way, is dedicated to bridging the language gap for more than 250 adults in the shoreline community, including many recent immigrants from nearly three dozen different countries.

**LEADING THE WAY**

The organization's mission is crucial: helping individuals gain essential English language skills to enhance their job prospects, navigate daily life, and integrate more fully into their community.

With over 300 dedicated volunteers, LVVS offers personalized tutoring tailored to each learner's needs.

**"TUTORING IS DEEPLY REWARDING. YOU'RE NOT JUST TEACHING ENGLISH; YOU'RE BUILDING LASTING RELATIONSHIPS AND EMPOWERING INDIVIDUALS TO IMPROVE THEIR LIVES."**

**Susan Graves**
